

RVEMS Pod Plan

RVEMS will be allowing students on campus starting Monday, November 16th, 2020. Each student will be assigned to a Pod. Each Pod will consist of no more than five students.

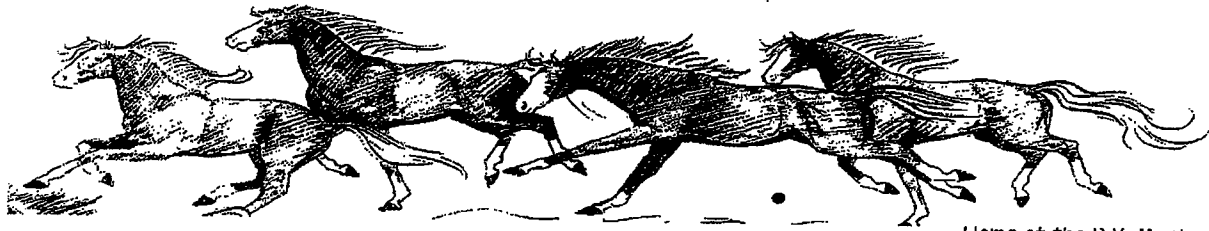

1. Each Pod will have no more than 5 students
2. Pods will be scheduled to meet with a teacher 1 day per week.
3. Pods will be on campus no longer than 120 minutes.
4. Teachers will only meet with 1 Pod per day.
5. Pods will meet after distance learning classes are completed and will focus on those students who are most in need of in-person instruction.
6. Pods will be finished at 3:00P.M... Students will then be released for the day.
7. Students can not join another Pod. They must remain in their assigned Pod.
8. The first 60 minutes of Pod time will be used for specific class related activities and instruction.
9. The final 30 minutes of Pod time will be focused on the student's other classes. During this time students will be interacting Via Zoom to access other teachers to receive assistance.

10. RVEMS will be following all district protocol for Covid-19.

- Temperatures will be taken upon entering campus.
- Students will be asked to respond to a symptom questionnaire.
- All staff and students will be required to wear a mask.
- Sanitation stations are available throughout the campus.
- Students will be physically distanced approximately 3' from other students in the classroom.
- Each classroom will have an air purifier.
- Classrooms will be cleaned and disinfected at the end of each day.
- Students will be dismissed on a staggered schedule to eliminate congregating.

It is our hope that this plan will allow students to have more access to their teachers, and provide much needed support. Participation in Pods is not mandatory. Parents can continue with distance learning and contact if this is working well for them.

COVID 19 STUDENT HEALTH ASSESSMENT SELF-SCREENING TOOL

Students who are attending school in person during the COVID 10 outbreak must perform a self-screening at home **BEFORE** reporting to school each day. Parents should ensure this self-screening occurs before leaving home.

Please answer the following questions.

- In the past 14 days, have you been near (within 6 feet for at least 15 minutes) a person who has a lab confirmed case of COVID 19, or have you had direct contact with their mucus or saliva?
- In the past 48 hours, have you had any of the following symptoms
 1. Fever of 100.4 or above (or symptoms like shivering and sweating)
 2. New cough
 3. New trouble breathing, shortness of breath or severe wheezing
 4. New chills
 5. Sore throat
 6. Vomiting or diarrhea
 7. New loss of smell or taste
 8. Nausea
 9. Fatigue
 10. Headache, congestion or runny nose with no other known cause (such as allergies)

If you answered **YES** to any questions above, do not report to work or school today. Instead contact your school and your doctor.
